Goals

Public Content**Background & Return on Investment:**

The Office of Buildings and Grounds is responsible for the planned preventative maintenance on the chillers in the District's buildings. Planned preventative maintenance will reduce downtime and prolong the life span of the District's chillers.

Consistent with Board Policy 6440 - Cooperative Purchasing, the Board of Education recognizes the advantages of centralized purchasing and encourages the administration to seek advantages in savings that may accrue to this District through joint agreements for the purchase of supplies, equipment, or services.

Through the Ohio Department of Administrative Services, the District has access to the State of Ohio Master Agreement #RS903618 with Johnson Controls, Inc., for HVAC Systems, Installation, and Service-Related Products and Supplies. Individual projects are submitted for pricing based upon the established contracts.

Johnson Controls submitted a proposal to complete the required scope of work.

Administrative Content

Our adopted rules of Parliamentary Procedure, Robert's Rules, provide for a consent agenda listing several items for approval of the Board by a single motion. Most of the items listed under the consent agenda have gone through Board subcommittee review and recommendation. Documentation concerning these items has been provided to all Board members and the public in advance to assure an extensive and thorough review. Items may be removed from the consent agenda at the request of any board member.

Mission Statement

Each student is highly-educated, prepared for leadership and service, and empowered for success as a citizen in a global community.
