CONNECT & LEARN NETWORKING
6P - 7:30P

Hosted by SATURN Partners, this multi-project forum provides local minority, women-owned, LGBTQ, and veteran companies an opportunity grow their business and employees. Attendees will hear about Project Cyprus' new hyperscale data center and other area project opportunities.

SATURN plans to support subcontractors and businesses by:

- *Facilitating introductions of subcontractor with potential prime contractors to help foster teaming*
- *Working closely with minority, women-owned, LGBTQ, and veteran businesses to promote workforce development*
- *Cultivating small business beyond the project by providing skills and educational guidance to allow for sustainable and economic growth*

OPPORTUNITIES INCLUDE, BUT ARE NOT LIMITED TO:

- | | |
|--|---|
| • Place / Finish Concrete | • Flooring |
| • Miscellaneous Metal Fabrication & Install | • Painting & Wallcovering |
| • Framing, Drywall & Partitions | • Architectural Woodwork |
| • MEP Trades | • Final Cleaning and Other Finish Trades |

Who is SATURN PARTNERS, LLC? Driven to build diversity, equity and inclusion alliances, the SATURN team partnership brings together the diverse and high-performance leadership of Lewis Smoot, Jr. (Smoot Construction Co.), Jeanna Hondel (Ascension Construction Solutions) and Brian Mooney (Turner Construction Co.).

The DEI vision of SATURN Partners incorporates sustainable strategies to promote and connect the local community to supplier diversity and workforce opportunities on Project Cyprus and other area construction projects.
